

# Book your 'try on' session!

Whether you're looking for new staples for the season, need a week of easy go-to outfits or have a special event coming up, we're here to help!

It's a relaxed, no pressure time for you to try on suggestions and get one on one advice over a glass of bubbly or a coffee!

## How does it work?

- Book in and brief us on your size, what you like to wear and what you want out of the session

- We will pre-select a range of outfits and styles for you as a suggestion

- Come in for an hour of trying things on where we'll help you through making the best choices for your shape and style

- Each session costs \$80, redeemable on clothing and accessories!

- Book with a friend or group for an extended 2 hour session
